

DEEP SPRINGS
DEEP SPRINGS COLLEGE, CALIFORNIA
Founded 1917

January 9, 2013

Dear Male Applicant,

As you know, Deep Springs College is involved in ongoing litigation to secure our transition to coeducation. Yesterday, the Inyo Superior Court issued an initial ruling against the college on one of the preliminary questions presented by our petition. The ruling prevents Deep Springs from admitting women to the college in 2013.

Naturally, this will have little impact on your own application. But we realize that you may have expected Deep Springs to be coeducational during your time as a student. We know now that the class admitted in 2013 will be an all-male class. We will inform applicants whether or not they have been admitted to the second round of the applications process within a few days.

We are deeply grateful for the enthusiasm for Deep Springs that was shown in your application, and we hope that your interest is not diminished by this preliminary ruling. Deep Springs will continue to work towards coeducation in the coming months and years, and we hope that you will remain interested in becoming a part of the college during this exciting time in its history.

With best wishes,

David Neidorf, President, Deep Springs College
Bennet Bergman, Chair, Applications Committee
